One Year Limited Warranty

What is COVERED:

All purchased items are covered against defects in material and workmanship. Where no warranty length is stated, the warranty term is 90 days. If an item is included for free and not purchased then the warranty does not apply to that item. Our products are covered by a standard 1-Year Limited Warranty from the date of purchase for manufacturing defects which covers welding of metal, stitching of fabric when new but not after normal wear & tear from use and being outdoors, and under residential use, not commercial use. The warranty covers the cost of the item that we replace but the customer is liable for the S&H charges to receive the replacement item.

What is NOT Covered:

Our warranty does not cover damage due to weather, general wear and tear use/misuse/abuse, commercial usage/environments, dirt, rust on steel items that were not covered when not in use, scratches, chipped paint, or anything considered normal wear and tear. Our warranty does not cover fading from sun exposure. Our warranty does not cover mold or mildew which is normal in certain parts of the country with certain climates. Some of our items are considered mildew resistant but still require occasional cleaning and we advise covering them when not in use because they are not weather proof. The warranty does not cover items under commercial use, for residential use only. Our warranty does not cover items that are included for free and not purchased.

Freight/shipping & handling charges of warranty items is NOT covered in the warranty and are the responsibility of the customer. Pebble Lane Living covers the cost of the item under the warranty but the customer is liable for the S&H to receive the replacement item.
